

Turtley Corn Mill Wine List

This wine list is as much about what has been excluded as included. We have shied away from super-brands, where every subtle nuance, every hint of character is blended away to obscurity. Instead we have sought out the personal hands-on wine producer, all of whom excel in creating wine of individuality, passion and flair. Together with the Finnygook team, we have thoroughly enjoyed compiling this list. We hope you enjoy drinking it....
